

St. Joseph's General Hospital is currently recruiting casual Registered Nurses for the Maternal Child Unit – Obstetrics (including Neonatal) and Paediatrics. Must be a graduate of a recognized School of Nursing and have a current, practising registration with the College of Registered Nurses of British Columbia.

For Obstetrics/Neonatal, also must have current level “C” C.P.R. certification; Neonatal Resuscitation Program certification or demonstrated equivalency; B.C.I.T. Advanced Obstetrics Course certification or demonstrated equivalency. One year full time experience that correlates to the Obstetrical Services provided at St. Joseph's General Hospital. Willingness to participate in more OB program, STABLE, ENPC and Paeds module learning.

For Paediatrics – must have two years' recent (within the last five years) nursing experience with both Medical and Surgical patients plus knowledge of physiology and psychology of children aged newborn to sixteen years. Proven ability to work with families and within a multidisciplinary team, preferred. Minimum of one years' Paediatric experience essential. Recent ENPC and NRP courses requirement. Certification in Paediatrics preferred. Willingness to participate in learning modules, more OB program, IVAD, PICC, Paediatric I.V. Initiation and chest tube competencies completion.
