## Family Parking Information

In order to effectively monitor the parking lot usage at the Hospital, Robbins Parking and St. Joseph's Hospital Administration have decided that the parking pass colour for the View's family passes needs to be a different colour.

The next time you are here visiting please see the Unit Clerk on Eagle View to exchange your **brown** pass for an **orange** pass. Please note there are parking lot restrictions for the **brown** pass holders. One parking pass may be issued per resident to either a family member or friend. If you have not received a parking pass please go to either Administration (in main hospital) or Finance Department (3rd floor, 38 Wing Brick Building).
